Whereas, the Superintendent of Police, South Goa District, Margao vide letter dated 10-10-2013 has reported that in view of prevailing situation in the country and intelligence inputs regarding terrorist threats to Western Coasts of India, it is necessary to impose restrictions on the commercial places/ /shops which are popularly known as Cyber Cafes to use the Internet facilities in such places including E-mail by a large number of people who visit them.

And whereas, it has come to notice that certain anti-social elements/terrorists are using these facilities to mislead the security investigating agencies, create panic in the public, endanger the security of VVIPs and vital installations and help in the terrorist activities, thereby, directly affecting the security of the State.

And whereas, the non maintenance of the users register by the Cyber Cafes and other such establishments to register the details of the service users by means of photo identity card (like driving license, passport, election card, student identity card etc.) such as name, date, time and usage of period, it becomes very difficult to trace them in case they commit any offence and are absconding.

And whereas, it is necessary to take speedy measures in this behalf to prevent danger to human life or safety, to thwart/prevent terrorist activities, which may affect the security of the State and create disturbance of public order and tranquility.

Now, therefore, on being satisfied with the report of the Superintendent of Police, South Goa District, Margao, I, R.
